

## SPEAKING #2

### Part 1: Interview (4-5 minutes)

The examiner will ask you and your partner general questions about yourselves. You should give extended answers and engage in a natural conversation.

**Examiner:** Where are you from?

**Examiner:** What do you most like about the place where you live?

**Examiner:** What kind of outdoor activities do you most enjoy?

**Examiner:** What sports are most popular with people in your country?

**Examiner:** Which sports do you enjoy playing? And watching?

### Part 2: Long Turn (1 minute preparation, 1-2 minutes speaking)

**Examiner:** In this part of the test, I'm going to give each of you three photographs. I would like you to talk about your photographs on your own for about a minute and also answer a question about your partner's photographs.

**(Candidate A)** It's your turn first. Here are your photos. They show people waiting for something. I would like you to compare and contrast two of the photographs and say what you think the people are waiting for and how they may be feeling.

What might be the people waiting for?

What might they be feeling at that moment?

**Examiner: (Candidate B)** Which of these people do you think looks most impatient?

**(Candidate B)** It's your turn now. Your photographs show people with animals. I would like you to compare and contrast two of the photographs and say what you think the relationship between the people and the animals is and how the people may be feeling.

What might the relationship between the people and the animals be?

How might these people be feeling?

### **Part 3: Collaborative Task (2-3 minutes)**

**Examiner: (Candidate A)** Who do you think has the closest connection to an animal?

(3 minutes)

Now I would like you to talk about something together for about 2 minutes. Here are some situations where people need to take precautions. First, you have some time to look at the task.

Now talk to each other about why people need to take precautions in these situations.

**Part 4: Discussion (4-5 minutes)**

**Examiner:** Why is it important to always feel prepared?

**Examiner:** (Candidate A) Do you agree?

**Examiner:** What situations in life are people usually unprepared for? Why?

**Examiner:** It is often said that a lot of personal damage could be prevented if people took the time to take precautions and prepare for the worst. Do you agree? Why/Why not?

**Examiner:** How can technology help people feel prepared?
