

You **must** answer this question. Write your answer in **220-260 words** in an appropriate style on the separate answer sheet.

You attended a local council meeting where proposals to reduce town centre traffic were discussed. You have made the notes below:

What policies can we follow to reduce traffic in the town centre?

- cycle paths
- fines
- public transport

Some opinions expressed during the meeting:

"Cycling everywhere isn't realistic - what about large families?"

"Fines mean the rich will continue driving."

"Nobody uses the existing buses and trams!"

Write an essay, discussing **two** of the policies in your notes. You should **explain which policy** would help reduce congestion most, giving **reasons** in support of your answer.

You may, if you wish, make use of the opinions expressed in the meeting, but you should use your own words as far as possible.
