

You must answer this question. Write your answer in 220-260 words in an appropriate style on the separate answer sheet.

You attended a meeting at a local college about who to invite to come and speak to the students. You have made the notes below:

**Who should we invite to come and give the annual Spring Term Talk?**

- aspiring actor
- celebrity pop star
- influential scientist

**Some opinions expressed during the meeting:**

"We need someone that the students will recognise!"

"The celebrity culture is already bad enough without us adding to it!"

"We need someone who can talk to students on the same level."

Write an essay, discussing **two** of the people suggested in your notes. You should **explain which person** would be of most interest to the students, giving reasons in support of your answer.

You may, if you wish, make use of the opinions expressed in the meeting, but you should use your own words as far as possible.
