

## SPEAKING #13

### Part 1: Interview (4-5 minutes)

**Examiner:** How often do you travel, and what motivates you to do so?

**Examiner:** What type of travel destinations do you prefer, and why?

**Examiner:** Can you share a memorable travel experience and how it impacted you?

**Examiner:** In your opinion, how has travel changed over the past few decades, and what do you think the future of travel looks like?

**Examiner:** What measures can individuals take to make their travels more sustainable and responsible?

### Part 2: Long Turn (1 minute preparation, 1-2 minutes speaking)

**Examiner:** In this part, I will give each of you three photographs related to different aspects of travel.  
Candidate A:

How do they capture the essence of travel?

Which of these images resonates with you the most, and why?

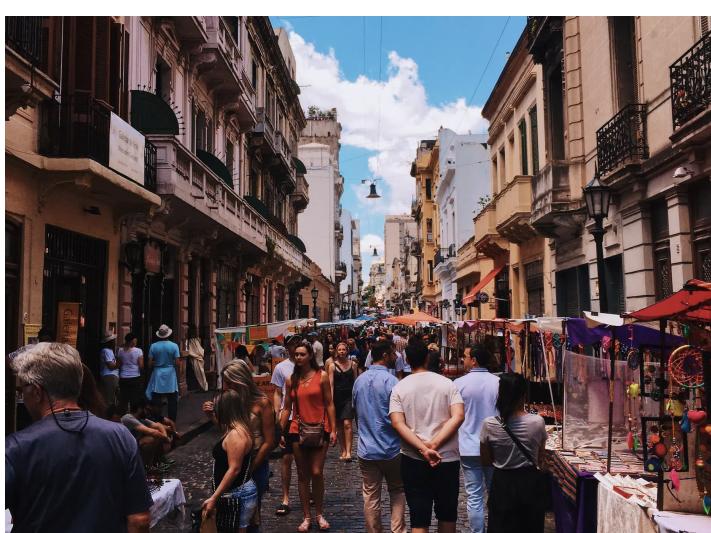

Candidate B, please describe your set of photographs and explain their significance in the context of travel.

**Examiner:** Candidate B, it's your turn now. Please describe your photographs and explain:

How do they showcase the cultural diversity experienced through travel?

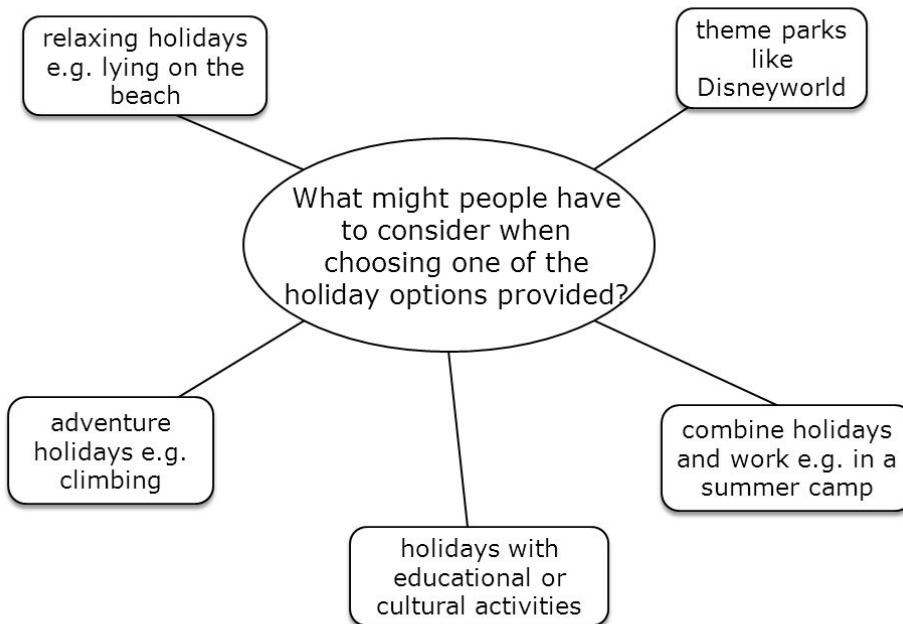

Which of these images represents a destination you would like to visit, and why?

Candidate A, what are your thoughts on Candidate B's photographs? How do they depict the cultural richness of travel?

### **Part 3: Collaborative Task (2-3 minutes)**

**Examiner:** Now, both of you will discuss various aspects of travel. Here are some travel-related topics. Take a moment to look at them and then discuss which **one** you consider the **most suitable for you and why**.

### **Part 4: Discussion (4-5 minutes)**

**Examiner:** Let's delve into the role of technology in travel. How has technology transformed the way people travel, and what are the advantages and disadvantages of these changes?

Candidate B/A: How do you think technology impacts our travel experiences?

**Examiner:** Sustainable tourism is a growing concern. What steps can travelers take to minimize their impact on the environment and local communities while traveling?

**Examiner:** Some argue that mass tourism can lead to the homogenization of cultures. Do you agree or disagree with this statement, and why?

Candidate B/A: What are your thoughts on how tourism can impact local traditions and cultures?

**Examiner:** Travel often exposes individuals to different worldviews. How can travel promote tolerance and understanding among people from diverse backgrounds?

**Examiner:** Finally, do you believe that travel is essential for personal growth and understanding the world better? Why or why not?

Candidate B/A: What's your perspective on the role of travel in personal development and global awareness?
